

Cedar Point®

RIDE SAFETY INFORMATION & MAP

Cedar Point is committed to providing our guests with a safe and enjoyable day. Many rides at Cedar Point are dynamic and thrilling. There are inherent risks in riding any amusement ride. For your protection, each ride is rated for its special features, such as high speeds, steep drops, sharp turns or other dynamic forces. If you choose to ride, you accept all of these risks. Restrictions for guests of larger size (height or weight) are posted at certain rides. Guests with disabilities should refer to our Ride Admission Policy available at Guest Services or Town Hall. Participate responsibly. You should be in good health to ride safely. You know your physical conditions and limitations, Cedar Point does not. If you suspect your health could be at risk for any reason, or you could aggravate a pre-existing condition of any kind, **DO NOT RIDE!**

- For your safety all passenger restraint systems, including lap bars, shoulder harnesses and seatbelts, must be positioned, fastened and tightened properly to allow guests to ride. Guests with a history of recent surgery, heart trouble, high blood pressure, neck trouble, back trouble, or who are pregnant should carefully heed all warning signs at each ride entrance. Generally, guests must have the ability to brace themselves upright in the seat and support their head and neck during the ride movements. Please try our test seats at the ride entrances of GateKeeper, Maverick, maXair, Millennium Force, Raptor, Rougarou, Skyhawk, Steel Vengeance, Top Thrill Dragster, Valravn, or Wicked Twister prior to waiting in line.
- Most rides cannot accommodate loose articles including cell phones, hats, cameras, purses, backpacks, umbrellas, beverage containers, electronic devices, etc. Smaller items must be safely secured in cargo pockets, a waist pack, in a bin on the ride platform, in a locker or with a non-rider. Cedar Point is not responsible for lost, stolen or damaged items. **FOR YOUR SAFETY, DO NOT ENTER UNAUTHORIZED AREAS TO RETRIEVE LOST ARTICLES.** You may be seriously injured if you enter an unauthorized area.
- Supervise children at all times. Children may be "officially" measured (and receive a wristband if qualified) at Guest Services or Town Hall. For the safety of your child, a standard play shoe which does not contribute excessively to the child's height is required. For example, a child is not permitted to wear platform shoes to help meet a height requirement. Cedar Point reserves the right to ask that shoes be removed to ensure that a child's height is not being artificially enhanced or manipulated.
