RIDE GUIDE & SAFETY INFORMATION

Cedar Point is committed to providing our Guests with a safe and enjoyable day. Many rides at Cedar Point are dynamic and thrilling. There are inherent risks in riding any amusement ride. For your protection, each ride is rated for its special features, such as high speeds, steep drops, sharp turns or other dynamic forces. If you choose to ride, you accept all of these risks. Restrictions for Guests of larger size (height or weight) are posted at certain rides. Guests with disabilities should refer to our Ride Admission Policy available at Guest Services, Frontier Town Guest Services or Courtesy Corps Locations. Participate responsibly. You should be in good health to ride safely. You know your physical conditions and limitations, Cedar Point does not. If you suspect your health could be at risk for any reason, or you could aggravate a pre-existing condition of any kind, DO NOT RIDE!

• For your safety all passenger restraint systems, including lap bars, shoulder harnesses and seatbelts, must be positioned, fastened and tightened properly to allow Guests to ride. Guests with a history of recent surgery, heart trouble, high blood pressure, neck trouble, back trouble, or who are pregnant should carefully heed all warning signs at each ride entrance. Generally, Guests must have the ability to brace themselves upright in the seat and support their head and neck during the ride movements. Please try our test seats at the ride entrances of GateKeeper®, Maverick®, maXair, Millennium Force®, Raptor®, Rougarou®, Skyhawk®, Steel Vengeance® or Valravn® prior to waiting in line.

• Most rides cannot accommodate loose articles including cell phones, hats, cameras, purses, backpacks, umbrellas, beverage containers, electronic devices, etc. Smaller items must be safely secured in cargo pockets, a waist pack, in a bin on the ride platform, in a locker or with a non-rider. Cedar Point is not responsible for lost, stolen or damaged items. **FOR YOUR SAFETY, DO NOT ENTER UNAUTHORIZED AREAS TO RETRIEVE LOST ARTICLES.** You may be seriously injured if you enter an unauthorized area.

• Supervise Children at all times. Children may be "officially" measured (and receive a wristband if qualified) at Guest Services, Frontier Town Guest Services or Courtesy Corps locations. For the safety of your Child, a standard play shoe which does not contribute excessively to the Child's height is required. For example, a Child is not permitted to wear platform shoes to help meet a height requirement. Cedar Point reserves the right to ask that shoes be removed to ensure that a Child's height is not being artificially enhanced or manipulated.

GENERAL INFORMATION

Alcoholic Beverage Policy You must be 21 years of age (valid state-issued driver's license with photo; state-issued identification card with photo; passport; or USDOD military ID required by state law) to purchase, possess or consume alcoholic beverages at Cedar Point. The Ohio Revised Code prohibits bringing beer, wine or intoxicating liquor on Cedar Point property, including the picnic shelters, or leaving the park with alcohol purchased here.

Dress Code Shirts and shoes must be worn at all times, including entering or leaving. Swimwear must be sufficiently covered. Profanity, obscene gestures, obscene statements, pictures of illegal substances, insignias of para-military groups, costumes or disguises that conceal identity are prohibited. Cedar Point reserves the right to refuse admission to anyone who refuses to comply with the dress code summarized above. If you have any concerns about your dress, please contact Guest Services.

Family Care Center The Family Care Centers, adjacent to PLANET SNOOPY™ and in Frontier Town, offer a relaxing environment with private infant feeding areas.

First Aid Stations are located in PLANET SNOOPY™ (open until one hour after park closing) and in Frontier Town (open until shortly after park closing). First Aid will store most medicines and medical equipment.

Guests With Disabilities should refer to our Ride Admission Policy available at Guest Services or Frontier Town Guest Services.

THANK YOU TO OUR SPONSORS

Inclement Weather Policy Most attractions and some rides remain open during rain; closed rides reopen as soon as safely possible. Sorry, no rainchecks or refunds once you have entered the park.

Kidtrack Cedar Point offers a service to quickly reunite separated children and parents with cell phones. Please sign up for this service at Guest Services, Frontier Town Guest Services, Courtesy Corps Locations, Lost Persons or cashier booths at any admission gate.

Line Jumping Is Not A Sporting Event To permit Guests to enjoy rides as quickly as possible, line jumping is not allowed. Line jumping is defined as: cutting in front of other Guests already waiting in line; leaving a line, then trying to re-enter the line at that same point; or saving a place for someone. This includes using restrooms and purchasing food and drink, so please make all stops before entering a line. Line jumping, regardless of the reason, may lead to ejection from the park. This rule is strictly enforced with no refunds.

Lost & Found Please secure all loose articles before riding. All found items are held at the Lost & Found Office across from Guest Services at the Main Gate. Report a missing item by filling out the form at cedarpoint.com/lost-and-found. **FOR YOUR SAFETY, DO NOT ENTER UNAUTHORIZED AREAS TO RETRIEVE LOST ARTICLES.** You may be seriously injured if you enter an unauthorized area. Cedar Point is not responsible for lost, stolen or damaged items.

Lost Persons/Info Centers Children appearing to be lost will be taken to the Lost Persons/Message Center in Kiddy Kingdom or Frontier Town Guest Services. If separated from your Child, ask any associate for assistance.

Rider Swap This allows one Guest to ride while another Guest waits with the Guest who did not ride. When the ride is complete, the Guests swap responsibility at the exit. Visit Guest Services, Frontier Town Guest Services, Courtesy Corps locations, Lost Persons in Kiddy Kingdom or the Magnum XL-200 Gate. (To use with Fast Lane, BOTH Guests must have a wristband.)

Service Animals Service animals are welcome at Cedar Point. A service animal is defined as a dog or miniature pony that has been individually trained to perform tasks for a person with disabilities. Service animals must be controlled with a restraining device and must display appropriate behavior at all times while on our property. There is a limit of one service animal per Guest. A relief area is located across from CAMP SNOOPY™ on the Gemini Midway. Due to the nature of most rides, service animals must remain with a non-riding member of your party. We are not permitted to take control of your service animal. Service animals may be taken on the Carousels, the Cedar Point & Lake Erie Railroad and Snake River Expedition. Service animals are not permitted in water attractions, wet decks, wading pools or lazy rivers. Guests may take advantage of our Rider Swap pass for staying with the service animal. Visit Guest Services for more information.

Quiet Room Cedar Point offers a Quiet Room located at Frontier Town First Aid for family members or caregivers to take a break and reduce sensory stimulation. Additionally there are sensory features provided for Guest use.

Smoking Policy Smoking of any kind, including vapor and e-cigarettes, is not permitted inside Cedar Point. For the comfort of all Guests, smoking is only permitted in the designated smoking areas just outside each park entrance gate. Please see an admissions associate for guidance.

Weapons Unauthorized weapons or firearms, of any kind, are not permitted on park premises.
